I am writing to request sponsorship of our high school leadership program, **Jefferson Community Youth Leadership (JCYL)**, which aims to empower and inspire the leaders of tomorrow.

JCYL is designed to equip students with essential leadership qualities such as communication, teamwork, problem-solving, and decision-making skills. Through a combination of interactive workshops, mentoring sessions, and real-world projects, our program fosters personal growth, enhances self-confidence, and cultivates a strong sense of civic responsibility among participants.

To ensure the program's success, we rely on the generous support of community-minded organizations like yours. We offer sponsorship levels from **\$750 - \$10,000** to cover the program's expenses, including materials, guest speakers, transportation, and lunches for deserving students.

As a sponsor, you will receive significant exposure and recognition throughout the duration of the program. We plan to acknowledge your support through various channels, including our program website, social media platforms, press releases, and event signage. Additionally, we would be delighted to arrange a dedicated session where your representatives can address our participants, sharing their insights and experiences.

Thank you for considering our sponsorship request. We sincerely hope to count on your support and partnership to empower and inspire the leaders of tomorrow.

With warm regards,

Christine T. Briede, CFRE

Jefferson Community Youth Leadership (JCYL)

JEFFERSON COMMUNITY
YOUTH LEADERSHIP

is an eight-month leadership
program for high school
junior and senior students

The *mission* of JCYL is to provide a lifelong commitment to leadership in Jefferson Parish. The program is open to high school junior and senior students in Jefferson Parish public, private, and parochial schools. The curriculum includes an opening and closing/graduation ceremony, as well as instruction on relevant topics in key areas.

JCYL is **FREE** to both schools and students. It is our desire to give students an opportunity to grow their leadership and teamwork skills while making a marked impact on the community. The year starts with a Kick-Off Retreat to facilitate the intense discussion and interaction amongst students from all schools. We then move to six (6) monthly thought-provoking sessions that expose our students to the many facets of Jefferson Parish and how they fit into the fabric of our community.
